**Free digital courses.
Open to all Canadians.**

While school facilities are closed and move to virtual learning, we've partnered with **global education technology leader EVERFI** to provide a **free virtual education hub** that all Canadians can access to support students, parents and teachers with additional virtual education resources for students K-12.

Starting today, you'll have access to a full suite of self-guided courses for students in grades K-12 on critical topics including financial education, mental wellness, digital wellness and more.

Signing up today **(for free)** with these four steps:

1. Visit the [EVERFI K-12 Family Portal](#)
2. Select your Province and child's school to create a profile
3. Receive access to all courses available to your school.

4. Check out the learning resource guide [here](#) to plan appropriate courses

We know you're dealing with a lot right now - and we're committed to supporting you any way we can. Thank you for your business and thank you for choosing Shaw.
