

BUS DELAYS & CANCELLATIONS

STAY CONNECTED

Warm greetings to families, students and school partners. We hope that you are staying healthy and hopeful as new school routines take shape.

In a typical year, you might not begin checking for bus delays and cancellations until November, when the weather begins to shift to wintry conditions. As this year is far from typical, with delays anticipated, STEO strongly encourages you to download our [FREE Bus Planner Delays and Cancellations App](#) to ensure that you receive notifications specific to your child and/or school. See details below and full instructions [here!](#) **If you have the App already, please take a moment to update to the latest version.**

DOWNLOAD OUR FREE DELAY/CANCELLATION APP!
