

Masking Update

January 2021

As students return to in-person learning, there are new health and safety measures in place. In addition to masking for Grades 4 - 12 students, masking for Grades 1 - 3 students is also required. Masks for Kindergarten students are strongly encouraged, but are not mandatory at this time.

Students in grades 1 through 12 must wear masks or face coverings at school and on school transportation.

Helpful Tips for Students:

Keep a spare mask in your backpack so you can replace your wet mask when you get to school or as needed.

Maintain a physical distance of 2 metres if someone must remove their mask while outdoors.

Do not use neck warmers or scarves in place of masks because they do not form a seal around the nose and mouth and may not be made of the recommended material.
